EDUCATION

At Gonzaga High School

In December, 1946 Special Agent T. N. O'CONNOR reviewed the applicant's school records at Gonzaga High School and the following information was noted.

The applicant entered Gonzaga High School July 24, 1935, and graduated on June 16, 1939. The applicant's grades were average and he ranked 54 in a class of 91. Special Agent O'CONNOR was unable to locate any of the applicant's instructors.

At Georgetown University

Special Agent T. N. O'CONNOR in December, 1946 reviewed the applicant's scholastic records at Georgetown University which reflected that the applicant had entered Georgetown University in January of 1946. He was working for an AB degree in law and was maintaining a B plus average. Special Agent O'CONNOR was advised by Father TOOBY, Professor of Philosophy, College of Arts and Sciences, Georgetown University, that he had not had a chance to really get acquainted with the applicant but that he appeared to be attentive in class and does not seem to be encountering any trouble with his studies. Father TOOBY stated that his only impression of the applicant was favorable.

The following investigation was conducted by Special Agent CHARLES L. ZINK.

The records of Georgetown University reflect that the applicant attended this institution from January, 1946 to February, 1947 when he voluntarily withdrew to accept employment with the FBI. He completed nine courses at Georgetown University and had received 55½ semester hours credit and eight hours for ROTC military service. The applicant had maintained a B plus average for his work and nothing derogatory was noted in the file.

Mr. JOSEPH CONNOR, Registrar at Georgetown University, stated that he recalled the applicant as a student and added that he also had an above

WFO 67-25405

average scholastic record and that he knew nothing derogatory concerning him. It was noted that the applicant's transcript at Georgetown University had been forwarded to the Columbus Law School in March, 1947. It was also noted in these records that the applicant was born March 26, 1921, at Philadelphia, Pennsylvania. No instructors were located who recalled the applicant.

The following investigation was conducted by the writer.

Dean HAYDEN stated that the applicant was one of their better students and that he was well regarded by his fellow classmates and instructors. This source stated that the applicant was married when he attended Columbus University Law School and that the applicant and his wife enjoyed an excellent reputation and appeared to be loyal American citizens. In conclusion Dean HAYDEN stated that none of the applicant's instructors are presently instructing this semester and added that he was sure they had nothing to state concerning the applicant which would be unfavorable as he felt the applicant's character, loyalty and reputation were above reproach. Dean HAYDEN also stated that the applicant had successfully passed the D.C. Bar examination.

Mrs. HELEN SHOWALTER, clerk to the Committee on Admissions and Grievances, U.S. District Court, advised that the applicant had successfully passed the Bar examination given this past June but that he had not been formally made a member of the D.C. Bar.

He stated the family deserves a great deal of credit for working themselves out of a bad financial condition due to the illness of the applicant's father. SUBJECT: HENRY E. PETERSEN
CHIEF
ORGANIZED CRIME AND
RACKETEERING SECTION
DEPARTMENT OF JUSTICE.

This is in reply to the Director's inquiry as to what we know about Petersen, who has recently been named chief of the Department's Organized Crime and Racketeering Section.

Henry E. Petersen has been the deputy chief in the Department's Organized Crime and Racketeering Section subsequent to 1960. During the period of his holding this position, he has on many occasions confidentially advised Bureau representatives of current developments in the Department. He has been a valuable contact in instances when it was necessary to obtain Departmental advice or authorization on matters under investigation by the Bureau in the field of organized crime.

It is to be noted that in his capacity as deputy chief, he was frequently consulted by other members of the Department's Organized Crime and Racketeering Section in the matter of law and legal procedures. He is a man extremely alert to past and present court decisions and is frequently consulted in this regard by his associates. It is very apparent that his outlook in the utilization of legal procedures is one of extreme conservatism.

Bureau files reveal Petersen served in the Marines during the period 1942 to 1945 as a radio operator and maintenance man. After a brief employment in private industry, he entered on duty with the Bureau on February 10, 1947, and was assigned as a clerk in the Files and Communications Division. He attended Georgetown University and Columbus University Law School, both Washington, D. C., during the period 1947 to 1951 and acquired his law degree. In 1951, he resigned from the Bureau and accepted a position as a lawyer in the Department's Antitrust Division.

Re: Henry E. Petersen

The investigation of Petersen as a Departmental applicant for the Antitrust Division revealed nothing derogatory concerning him.

Petersen, in the past, has confined his official duties to the internal operations of the Department's Organized Crime and Racketeering Section and as a consequence, has had little or no contact with persons in the law enforcement field outside of the Departments of Justice and Treasury.

FOR IMMEDIATE RELEASE
TUESDAY, SEPTEMBER 6, 1966

Attorney General Nicholas deB. Katzenbach announced today that William G. Hundley is resigning as chief of the Organized Crime and Racketeering Section of the Criminal Division of the Department of Justice.

He will be succeeded, Mr. Katzenbach said, by Henry E. Petersen, deputy chief of the section and an attorney for the department since 1951.

What do we know of Petersen?

Assistant Attorney General Fred M. Vinson, Jr., the head of the Criminal Division, made the appointment with the concurrence of Mr. Katzenbach. Both the resignation and appointment will become effective about October 1, Mr. Vinson said.

The Organized Crime Section, the largest in the Department, comprises 60 attorneys specializing in prosecution of gambling, extortion, labor racketeering, and other federal organized crime violations.

"Mr. Hundley, Mr. Petersen, and the devoted corps of attorneys working with them have helped to make a major difference in the Administration's effort against racketeering," Mr. Katzenbach said.

"In 1962, when Mr. Hundley's tour of duty as head of the section began, there were 350 racketeering indictments returned. That total grew steadily each year and last year there were 872 indictments.

"We regret his departure and we will miss him -- but we are fortunate, indeed, to have Henry Petersen, an outstanding career attorney, to take his place."

Mr. Petersen was born in Philadelphia, Pennsylvania, on March 1921. He attended elementary school there and Gonzaga High School in Washington, D. C. He served in the Marine Corps from April, 1942 to November, 1945, and was a communications sergeant in the Central Pacific.

EX-103

Following World War II, he attended Georgetown University in Washington, D. C., and then, while working as a clerk for the Federal Bureau of Investigation, attended Columbus Law School in the capital.

Mr. Petersen received his degree and was admitted to the Bar in 1951, and for a short time was an attorney in the Antitrust Division of the Department. He transferred to the Criminal Division in December of 1951, and was named the deputy chief of the Organized Crime and Racketeering Section in 1960.

U.S. Trails 200,000 in Crime Ring

Associated Press

The Justice Department disclosed yesterday that it has assembled a file of more than 200,000 individuals and businesses thought to be associated with the Cosa Nostra crime syndicate in the United States.

The file contains the names of 3115 so-called principals—the most important crime figures and subject of some kind of investigation — plus associated individuals and businesses that “number a couple of hundred thousand.”

Henry Peterson, head of the Department's organized crime and racketeering section, said in an interview, however, the Department has under active investigation several hundred at most. He refused to disclose any names except those already identified in the past by Senate racket investigators.

The file is the result of six years of work by Government investigators since the Justice Department's organized crime drive got underway in 1961.

Peterson said the Department now is trying to systematize its approach to investigations of Nationwide organized crime syndicates.

He said the Department, with 54 U.S. attorneys, has neither the personnel nor the financial resources to investigate all those suspected of being associated with organized crime.

He added that even taking into account other Federal investigative agencies with which the Justice Department cooperates—including Secret Service, FBI, Bureau of Customs, Internal Revenue Service—“we couldn't police one major community.”

SUBJECT: HENRY E. PETERSEN
CHIEF, ORGANIZED CRIME AND RACKETEERING SECTION
DEPARTMENT OF JUSTICE

This memorandum is being written to furnish information concerning Petersen for the use of Inspector H. L. Edwards in possible contacts with Petersen at the Midwinter Conference of the National District Attorneys Association being held at Los Angeles, California, from March 14 to 18, 1967. Petersen is scheduled to address the conference. Inspector Edwards is to attend as the Bureau's representative.

Petersen has been Chief of the Department's Organized Crime and Racketeering Section since early September, 1966. At that time he succeeded William G. Hundley who resigned. Prior to that time for several years Petersen had been Hundley's first assistant in the section.

Petersen has been a Department of Justice Attorney since June, 1951, and was first assigned to the Antitrust Division. Although born in Philadelphia, Pennsylvania, in 1921, Petersen has lived most of his life in the Washington, D. C., area. He was educated at Gonzaga High School, was an undergraduate from two years at Georgetown University before World War II, and after serving in the Marine Corps from 1942 to 1945, he completed his education by obtaining an LL.B. degree from Columbus University. He attended Columbus while working in the Bureau in a clerical position, holding that employment from 7/27/47 to 6/23/51 when he resigned to accept the position of attorney in the Antitrust Division. Petersen's service as a clerical employee in the Bureau was considered entirely satisfactory.

Of particular interest in Petersen's administration of the Organized Crime and Racketeering Section, is his innovation of "task force" operations. As you aware, Mr. Petersen

Memorandum to Mr. Gale
Re: Henry E. Petersen

called at your office 10/27/66 to outline a program he was initiating in which investigators from several different Federal agencies would work in a given area under the direction of Department attorneys conducting an intensive investigation leading to the employment of an investigatory grand jury. He said that such investigative personnel had been promised from the Treasury Department, Labor Department, Bureau of Customs, Bureau of Narcotics, and the Internal Revenue Service, as well as the Immigration and Naturalization Service of the Department of Justice. He expressed a desire to have Bureau personnel assigned as well as seeking the Bureau's views with regard to this operation.

At the outset, Petersen was tactfully told that his proposal for a "task force" had a serious defect in that it would open the Federal Government to additional attacks that information which formed the basis of investigation might have come from tainted sources and, therefore, cases which are based solely on legally admissible evidence might well be jeopardized. Subsequently, with the approval of the Director, Mr. Petersen was advised that the proposed "Task force" idea had serious objections implicit in the program and for that reason we felt it should not be implemented. Petersen was told that we would continue to vigorously conduct investigations of our organized crime cases and would continue to submit to the Department our detailed reports of those investigations. At the same time we advised Petersen that the Bureau would not assign personnel to participate in the "task force" operation.

Petersen had indicated that the pilot "task force" operation would be in the Buffalo, New York, area. He said this area had been selected in view of the fact that the La Cosa Nostra "family" headed by Steve Magaddino is very active as well as being close to Canada where it has many interests. On 11/30/66 Petersen accompanied by Department Attorney Robert Peloquin and the United States Attorney in Buffalo called on SAC Neal Welch in Buffalo to outline the "task force" being initiated. He made no request for personnel but advised SAC Welch that five Department Attorneys and investigators from the Internal Revenue Service, Department of Labor, Bureau of Customs, Bureau of Narcotics, and Immigration and Naturalization Service had been assigned to make up the "team". Peloquin was to be in charge. We have had periodic reports from that time from SAC Welch and to date the "task force" appears to have spent most of its time

Memorandum to Mr. Gale
Re: Henry E. Petersen

making contacts with local and state police offices in the area.

As a starting point in material for its operation, the "task force" is obviously using the very extensive material we have furnished over a period of years concerning the Magaddino and related groups in Upstate New York.

One very interesting item concerning personnel assigned to the "task force" was in the person of one Edward Murray Jones, a supervisory investigator of Immigration and Naturalization Service. Jones was assigned but never actually participated, probably because the Bureau advised the Attorney General of Jones's background of notoriety in connection with illegal wire tapping for a private detective in New York. Jones had been employed by the McClellan Committee by Robert F. Kennedy and then appointed to his position with Immigration and Naturalization Service when Kennedy became Attorney General. We have been advised since that Jones was transferred to the Philippines when he was removed from the "task force" assignment, which he had never actively assumed.

We have written several memos in connection with Petersen's "task force" operations and in connection with this, the Director has made it plain that we should hold to the position that we will not assign Bureau personnel to such operations as this one initiated by Petersen. There is an indication that additional "task force" moves are to be made, particularly in the New York City and Philadelphia, Pennsylvania, areas. The Department has requested the same types of record checks as with the Magaddino "family" in connection with the Joseph Colombo "family" of La Cosa Nostra in New York and the Angelo Bruno "family" in Philadelphia.

Petersen hit the headlines real big via a press release and interviews on February 20 and 21, 1967, by announcing a claimed nation-wide attack on fifteen La Cosa Nostra "families" by flying squads and investigative experts from five Federal agencies. He followed this initial announcement with rather extravagant statements such as that the Department had assembled a file of more than 200,000 individuals and businesses thought to be associated with the La Cosa Nostra crime syndicate in the United States. You may recall that the Director noted on the press account of Petersen's statements that "this fellow Petersen is a wind bag."

Memorandum to Mr. Gale
Re: Henry E. Petersen

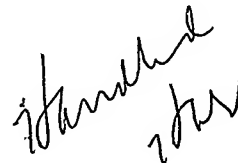

Enclosed for the use of Inspector Edwards are Xerox copies of four memoranda dated 10-27-66, 11-7-66, 12-5-66, and 2-21-67 which outline the history of Petersen's "task force" operations and his contacts with the Bureau in that connection. Also attached is a copy of a clipping from "The Washington Post and Times Herald" of 2-22-67 reporting an interview with Petersen and on which the Director made the notation that "This fellow Petersen is a 'wind bag'."

It is interesting to note that on the same day of Petersen's news story, our Buffalo and Cleveland Offices cooperated in the arrest of four individuals operating a major interstate gambling operation on behalf of La Cosa Nostra leaders. This represented substantial accomplishments when compared with the Departmental press release indicating "future intentions."

ACTION:

It is recommended that this matter be forwarded to Inspector Edwards for his use at the Midwinter Conference of the National District Attorneys Association at which Petersen also will be in attendance to make a speech.

Henry E. Petersen entered on duty with the Bureau on February 10, 1947, and served in a clerical capacity until his voluntary resignation in June of 1951. At that time, after having passed the bar examination in the District of Columbia, he accepted employment in the Department of Justice and was assigned to the Anti-Trust Division. Petersen remained with the Anti-Trust Division until his assignment to the Criminal Division in the early part of 1960. Petersen's service in the Criminal Division has been primarily in the field of organized crime and he served as Deputy Section Chief of the Organized Crime and Racketeering Section until he was designated Section Chief in October, 1966.

Petersen has a tremendous knowledge of organized crime matters and appears to be dedicated toward having an effective program against the organized crime element. He has been very cooperative with Bureau representatives and has on numerous occasions alerted the Bureau on a personal basis to matters which would be of interest in connection with our investigative activities.

ACTION:

On the basis of our past experience with Petersen it is believed that if he were to be retained in his position as Section Chief of the Department's Organized Crime and Racketeering Section that we can continue to work with Petersen effectively in all matters of mutual interest.

It has been ascertained that Nathaniel E. Kossack, formerly Deputy Assistant Attorney General in the Criminal Division of the Department, has accepted a position in the Department of Agriculture. As a result, there has been a shift of personnel within the division.

Henry E. Petersen, who was formerly the Chief in the Department's Organized Crime and Racketeering Section, has replaced Kossack and is now the Acting Deputy Assistant Attorney General. William S. Lynch, who has been in the Department's Organized Crime and Racketeering Section, has been moved to the position as Acting Chief to replace Petersen.

Lynch is a very enthusiastic individual who has demonstrated a very aggressive approach to the organized crime problem. He has heretofore been principally involved in trial work. While our relationships with Lynch have not been as extensive as they were with Petersen when the latter was Chief of the Organized Crime Section in the Department, Lynch has been found to be cooperative and favorably disposed to the Bureau.

SUBJECT: HENRY E. PETERSEN
CRIMINAL DIVISION
DEPARTMENT OF JUSTICE

For the Director's information, a review of Bufiles pertaining to captioned individual discloses the following information:

Henry E. Petersen entered on duty with the Bureau 2-10-47, and served in a clerical capacity until his voluntary resignation in June, 1951. His services were entirely satisfactory. At that time, after having passed the bar examination in the District of Columbia, he accepted employment in the Department of Justice. At the time he submitted his resignation, he stated he was sincerely regretful of leaving the Bureau but that his family responsibilities, faulty vision, and reluctance to travel precluded him from becoming a Special Agent of the FBI if that opportunity were presented to him. A Departmental applicant investigation of Petersen prior to his employment by the Department revealed nothing derogatory concerning him. Petersen was initially assigned to the Anti-Trust Division at the Department and was subsequently reassigned to the Criminal Division in early 1960. Petersen's service in the Criminal Division has been primarily in the field of organized crime, and in December, 1968, he was appointed Chief, Organized Crime and Racketeering Section of the Department.

His personnel file revealed a memo dated 12-16-68, from Mr. Gale to Mr. DeLoach which stated Petersen had a tremendous knowledge of organized crime matters and appeared to have been dedicated toward having an effective program against the organized crime element. He was described as very cooperative with Bureau representatives and had, on numerous occasions, alerted the Bureau on a personal basis to matters which would be of interest to us in connection with our investigative activities.

Bufiles reveal we have enjoyed cordial relations with Petersen since he has been with the Department and no derogatory information was ascertained.

Nixon Names 3 to Federal Justice Jobs

Washington, Jan. 11 (News Bureau)—President Nixon named Henry E. Petersen, a veteran of the FBI and federal racket-busting director, assistant attorney general in charge of the Justice Department's Criminal Division, today. He will succeed former Texas Attorney General Will R. Wilson.

Nixon simultaneously filled two other assistant attorney general posts with interim appointments. Los Angeles attorney Ralph E. Erickson, 43, will head the office of Legal Counsel, and Dale Kent Frizzell, 42, former state attorney general of Kansas, will head the Lands and Natural Resources Division.

Lost Kansas Race

Frizzell, unsuccessful GOP candidate for governor of Kansas in 1970, succeeds Shiro Kashiwa, who has been named to the U. S. Court of Claims. Erickson succeeds William H. Rehnquist, now a Supreme Court Justice.

Petersen, a 50-year old Democrat, has served as acting head of the criminal division since Wilson resigned in October rather than cause embarrassment to Nixon because of his business connection with the leading figure in a Texas bank scandal.

Justice Department

Unit Chief Named

President Nixon yesterday picked Henry E. Petersen, a career Justice Department lawyer who has been involved in major federal prosecutions

for 20 years, to be assistant attorney general in charge of the Criminal Division. He is a Democrat.

The President gave Petersen a recess appointment. He must be confirmed later by the Senate.

At the same time, the President also announced the recess appointments of:

- Dale Kent Frizzell, 43, to be an assistant attorney general in charge of the Land and Natural Resources Division. Now an attorney in Topeka,

Frizzell is a former Kansas attorney general and in 1970 was the unsuccessful Republican candidate for governor.

- Ralph E. Erickson, 43, to succeed Justice William H. Rehnquist as an assistant attorney general and head of the office of legal counsel.

A former attorney in Los Angeles, Erickson has been a deputy assistant attorney general since October. He formerly was director of the office of community goals and standards in the Department of Housing and Urban Development.

The three appointments leave one major vacancy in the Justice Department. Richard W. McLaren, assistant attorney general in charge of the Antitrust Division, is to leave at the end of January to become a U.S. district judge in Chicago.

Petersen, 51, a former FBI agent and experienced crime fighter, will succeed Will R. Wilson, who resigned under fire Oct. 15 because of his former association with a Texas financier involved in a banking scandal.

Mr. Nixon also announced that he would nominate Albert W. Sherer Jr., a career foreign service officer, as ambassador to Czechoslovakia. Sherer, 46, is a native of Illinois who has served as ambassador to Guinea since March, 1970.

The President yesterday received reports from Brig. Gen. Alexander M. Haig Jr., deputy assistant for national security affairs, and press secretary Ronald L. Ziegler, on their recent visit to China to plan the President's trip there next month.

Later, the President flew to Camp David to continue work

on his State of the union address, which he is to deliver before a joint session of Congress at 12:30 p.m. Jan. 20.

SUBJECT: DIRECTOR'S ATTENDANCE AT SWEARING IN CEREMONIES
AT DEPARTMENT

4:30 P.M., MONDAY, 2/14/72

BACKGROUND:

The Director has agreed to attend the swearing in ceremonies for Assistant Attorneys General Henry E. Petersen, Criminal Division; Ralph E. Erickson, Office of Legal Counsel; and Kent Frizzell, Land and Natural Resources Division, as well as Assistant to the Attorney General Myles Ambrose, National Drug Suppression Office, at 4:30 p.m., Monday, 2/14/72, in the Great Hall. In confirming this with [redacted] Secretary to [redacted] Executive Assistant to the Deputy Attorney General, it was learned that Mr. Hoover was to sit on the platform with the Attorney General and other officials of the Department. She also indicated there would be a reception immediately following the ceremony and that the Director was also invited to attend that function. Our files were reviewed on these four individuals and they reveal the following information concerning them.

INFORMATION IN BUFILES:

Henry E. Petersen, aged 50, was born in Philadelphia, Pennsylvania, and EOD with the Bureau 2/10/47, serving as a clerk until he voluntarily resigned in June, 1951. He has been very cooperative with Bureau officials and has, on numerous occasions, alerted the Bureau on a personal basis to matters which were of investigative interest to us. There is no indication that Petersen has previously received an autographed photograph and no arrest record was located concerning him.

Transcripts of hearings on the nomination of Henry E. Petersen to be Assistant Attorney General, Criminal Division, were obtained by liaison by Inspector David Bowers. We have reviewed the transcripts for material of interest in connection with the Director's proposed testimony on Title III electronic surveillance before the McClellan Subcommittee. Relevant material may be summarized as follows:

Senator Kennedy inquired regarding recent court decisions holding Title III electronic surveillance evidence improperly obtained because the Attorney General had not personally authorized the wiretap. Mr. Petersen pointed out the Department plans to appeal these decisions because the record does not fully reflect the extensive care and diligence and caution which are employed by the Department of Justice in the authorization in wiretapping orders under Title III. Petersen then outlined the approval procedures employed in the Department and noted that in no instances has an initial order been authorized for a period longer than 15 days. (Pages 21-22)

Senator Kennedy then inquired whether any changes in procedures had been made in view of these court decisions. Mr. Petersen said that the Attorney General personally approves Title III requests and no one in the Department believes that they have authority to authorize the interception of communications other than the Attorney General. In cases where they cannot wait, they feel impelled to interrupt the Attorney General whether he is in a Cabinet session or otherwise. (Page 23)

Senator Kennedy then asked whether the same approval procedure is followed in non-court-ordered wiretaps. Petersen said it was his understanding that the Attorney General approves such wiretaps. (Page 24)

Senator Kennedy asked Mr. Petersen to comment on the usefulness of wiretaps in internal security cases. Petersen cited one instance where an individual was part of an organization which threatened the life of the President. He said, "I could observe that the information intercepted was not as helpful as I hoped it would be but, on the other hand, I thought it a reasonable judgment in the circumstances because I feel there is so little margin of error." (Page 24)

Senator Kennedy inquired whether Petersen was more satisfied about court-authorized wiretapping, in terms of procedures, than in the case of the non-court-ordered taps. Petersen indicated that he is more satisfied as to the ultimate result in court but he felt that, "The fact that every President since Roosevelt and every Attorney General since that time has felt this was a reasonable exercise of his power and I think there is great weight entitled to that." (Page 25)

Senator Hart asked what procedures are followed before a wiretap goes on without a court order and when it is not a national security matter. Petersen explained the emergency provisions of Title III which permits the installation of a wiretap providing a court order can be obtained within 48 hours. However, he pointed out the Attorney General has never permitted such authority to be used and it has not been used. (Page 25)

I report from the Committee on Public Works an original bill to extend sections 5(n) and 7(a) of the Federal Water Pollution Control Act, as amended, until the end of fiscal year 1972.

Mr. President, I ask unanimous consent that a letter dated February 1, 1972, from Mr. William Ruckelshaus, Administrator of the Environmental Protection Agency, be printed at this point in the RECORD.

There being no objection, the letter was ordered to be printed in the RECORD, as follows:

ENVIRONMENTAL PROTECTION AGENCY,
Washington, D.C., February 1, 1972.

HON. JENNINGS RANDOLPH,
Chairman, Committee on Public Works, U.S. Senate, Washington, D.C.

DEAR MR. CHAIRMAN: As you may know, authority under Section 5(n) of the Federal Water Pollution Control Act expired on June 30, 1971. Authority under that provision was extended by Public Law 92-50 and Public Law 92-137 through October 31, 1971. I am forwarding herewith a draft bill which would extend the authority of Section 5(n) from the date of its expiration through the end of the fiscal year.

It is respectfully recommended and urged that the Congress extend the authority of Section 5(n) as expeditiously as possible.

Sincerely yours,

WILLIAM D. RUCKELSHAUS,
Administrator.

Mr. RANDOLPH. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of the bill as reported.

Mr. GRIFFIN. Mr. President, reserving the right to object, the Senator is asking unanimous consent to proceed to the immediate consideration of the bill?

Mr. RANDOLPH. That is what we would like to do because the Environmental Protection Agency has indicated that without certain action in the Senate, which we propose today, there will not be the payment—

Mr. GRIFFIN. The distinguished, ranking Member on our side is on the floor.

Mr. COOPER. Mr. President, we have been considering this subject in the committee since the Senate returned. I have talked with every Member on the minority side. We all know that this must be done. It is a very critical situation. We are only providing funds until the end of this fiscal year to assure the payment of salaries and expenses, \$9 million, and \$15 million to meet the contract obligations.

Mr. GRIFFIN. I have no objection.

Mr. COOPER. I wholly concur with the chairman of the committee.

The PRESIDING OFFICER. The bill will be stated by title.

The legislative clerk read as follows:

A bill (S. 3122) to extend sections 5(n) and 7(a) of the Federal Water Pollution Control Act, as amended, until the end of fiscal year 1972.

The PRESIDING OFFICER. Is there objection to the present consideration of the bill?

There being no objection, the Senate proceeded to consider the bill.

Mr. RANDOLPH. Mr. President, I have no desire to speak on this measure. It has been clarified by my distinguished colleague from Kentucky as to why we ask for this legislation. I would have made that explanation. I am delighted that it has been made.

The Senate has previously acted, but we have not had any action yet from the House—and that is no criticism—but this is rather in the nature of stop-gap legislation.

If dedicated and capable employees are to be paid for their services, passage in both Senate and House will take care of the problem. We trust that it can be speedily handled not only here, as we are doing now, but also in the other body.

The PRESIDING OFFICER. If there be no amendment to be proposed, the question is on the engrossment and third reading of the bill.

The bill (S. 3122) was ordered to be engrossed for a third reading, was read the third time, and passed, as follows:

S. 3122

A bill to extend sections 5(n) and 7(a) of the Federal Water Pollution Control Act, as amended, until the end of fiscal year 1972.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That—

SECTION 1. Section 5(n) of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1151 et seq.), is further amended by inserting after the first sentence thereof the following: "There is authorized to be appropriated not to exceed \$9,000,000 for the period commencing November 1, 1971, and ending June 30, 1972, for the purpose of salaries and related expenses incurred during that period under this section, in addition to funds made available under Public Law 92-50 and Public Law 92-137."

SEC. 2. Section 7(a) of the Federal Water Pollution Control Act, as amended (33 U.S.C. 466 et seq.) is amended by striking "and for the four-month period ending October 31, 1971, \$4,000,000," and inserting in lieu thereof "and for the fiscal year ending June 30, 1972, \$15,000,000."

PROGRAM

Mr. BYRD of West Virginia. Mr. President, the program for tomorrow is as follows:

The Senate will convene at 10 a.m. After recognition of the two leaders under the standing order, the following Senators will be recognized in the follow-

ing order, and each for not to exceed the time stated:

Senator STEVENSON, 15 minutes; Senator ROTH, 15 minutes; Senator BROOKE, 10 minutes; and Senator BUCKLEY, 10 minutes.

At the conclusion of the unanimous-consent orders recognizing Senators, there will be a period for the transaction of routine morning business for not to exceed 30 minutes, with statements therein limited to 3 minutes. At the conclusion of routine morning business, the Chair will lay before the Senate the pending business, H.R. 12667, which is the bill making appropriations for foreign assistance and related programs. Rollcall votes are expected on that bill and on amendments thereto, the pending question being the amendment offered by the distinguished Senator from Illinois (Mr. STEVENSON) on which a time limitation agreement has been entered limiting the time to 20 minutes, to be equally divided.

Mr. President, if action has not been completed on the foreign aid appropriation bill at a reasonably early hour tomorrow—say, 2:30 p.m.—the leader will set that bill aside and will return to the unfinished business. It is hoped that action can be completed on the foreign aid appropriation bill by 2 p.m. or 2:30 p.m. tomorrow, at which time, the Senate will resume consideration of the unfinished business.

There will be rollcall votes tomorrow.

ADJOURNMENT TO 10 A.M. TOMORROW

Mr. BYRD of West Virginia. Mr. President, if there be no further business to come before the Senate, I move, in accordance with the previous order, that the Senate stand in adjournment until 10 a.m. tomorrow.

The motion was agreed to; and (at 5:02 p.m.) the Senate adjourned until tomorrow, Friday, February 4, 1972, at 10 a.m.

Honorable J. Edgar Hoover
Director
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

Charles Ruff, Chief of the Management and Labor Section of the Criminal Division, has called to my attention the outstanding work performed by Special Agent [redacted] in the case of United States v. Boyle. On March 31, 1972, W. A. Boyle, President of the United Mine Workers of America, was convicted of all charges contained in a thirteen count indictment alleging illegal political contributions from union funds, conversion of union money, and conspiracy to commit these offenses.

Presentation of the Government's case involved the introduction into evidence of literally hundreds of documents. In order to make this mass of evidence more intelligible to the jury, the Government called Special Agent [redacted] as a summary witness with expertise in accounting. Special Agent [redacted] precise accounting analysis and lucid testimony was of great benefit to the jury and undoubtedly contributed greatly to the conviction. Consequently, Special Agent [redacted] should be commended for his most significant contribution to this successful prosecution.

ENCLOSURE

The Attorney General

Acting Director, FBI

May 16, 1973

CONGRESSMAN [REDACTED]

ALLEGATION AGAINST ASSISTANT ATTORNEY GENERAL
HENRY PETERSEN

By request, a representative of this Bureau called on Congressman [REDACTED] on the morning of 5/10/73. The Congressman stated that on 5/8/73 he received information from a reliable source to the effect that some two years ago a personal friend of Henry Petersen asked Petersen to find out what he could about [REDACTED]. Petersen later told this individual that [REDACTED] had "Mafia connections."

b6
b7C

The Congressman stated he does not want to go into specifics at this time although he is perfectly willing and able to name names if necessary. He did advise that the person to whom Petersen allegedly gave the information is an attorney in Washington. The Congressman implied that his source is or was a member of the law firm employing the person to whom Petersen allegedly furnished the information. He said his source has personal knowledge of this matter.

The Congressman stated the allegations that he had Mafia connections had become public during his campaign for Congress last year. He said at the time there was no indication of the source and that he had treated the matter as somewhat of a joke and made light of it during his campaign speeches. He stated that since this is already public, there is certainly no reason for him to keep it quiet and that if the matter is not resolved promptly to his satisfaction "you can bet you will read about it in the newspapers."

The Congressman commented that if he appeared to be speaking softly it was because he must do so to control his voice as "I am outraged." He said he has consulted his attorneys who have suggested that he not only has basis for a slander suit but also indicated there is a possibility that Petersen may have violated Federal criminal laws.

The Congressman stated in furnishing this information he is making a formal request for whatever files the Department of Justice has on him and for a prompt discussion with him by

responsible officials of the Department of Justice concerning these false allegations. He was told that his allegation concerning Mr. Petersen would be referred to the Department of Justice. He emphasized the allegations that he has Mafia connections are totally without foundation and he wants to insure that any such information appearing in Government files about him is promptly corrected.

Congressman [] was advised that the FBI does not have access to Department of Justice files. The files of this Bureau contain no information indicating any involvement on the part of the Congressman with persons engaged in criminal activities.

This information is furnished to the Department at the specific request of Congressman []

Attached is a letter to the Attorney General, to be delivered to him personally in a sealed envelope, containing allegations furnished to the FBI by Congressman [REDACTED] alleges that he was informed on 5/8/73 by a reliable source that some two years ago a friend of Petersen's asked Petersen to find out what he could about [REDACTED] Petersen later allegedly told this individual that [REDACTED] had "Mafia connections."

Bufiles contain no derogatory information on [REDACTED]. In February of this year, at the Congressman's request, Agents of the Pittsburgh Office did a security check on the Congressman's office in [REDACTED] and found no evidence of bugging or telephone tapping (94-67308). In January, 1973, we conducted an investigation concerning a threatening telegram sent to Congressman [REDACTED]. An Assistant United States Attorney in Pittsburgh declined prosecution (9-55401). Interview of [REDACTED] was conducted by Inspector David W. Bowers on 5/10/73.

Bufiles reflect no information concerning any interest in [REDACTED] by Petersen and no information of the allegations that [REDACTED] claims Petersen made to an associate that the Congressman had "Mafia connections."

There have been previous charges leveled against Petersen alleging that he was instrumental in obtaining commuted sentences for various convicted organized crime figures. This information has been furnished to the Department in each instance. In view of the vagueness of the charges reported by Congressman [REDACTED] it is believed the attached letter should be hand-delivered to the Attorney General in a sealed envelope.

RECOMMENDATION:

That the attached letter to the Attorney General containing allegations from Congressman [REDACTED] that Assistant Attorney General Petersen reportedly stated [REDACTED] had "Mafia connections" be hand-delivered in a sealed envelope to the Attorney General.

Honorable Clarence M. Kelley
Director
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Kelley:

On Saturday, November 10, 1973, the trial of Luther Albert James et al of Louisville, Kentucky, was concluded. Eighteen defendants were charged with violations of Title 18, United States Code, Sections 1955 and 371.

The trial lasted two weeks. During the first week, fourteen of the defendants pleaded guilty, charges were dismissed against two, and the trial resulted in a hung jury as to the remaining two defendants.

The investigation leading up to the indictments in this case involved electronic surveillance over four telephones in the Spring of 1972. From that time up to the conclusion of the trial, Special Agent [redacted] of the Louisville office displayed outstanding principles of dedication to duty. His unyielding investigation and assistance in the prosecution of this case was invaluable. The quality of his work product enabled everyone connected with the case to master the complicated and technical details involved in properly presenting this matter in court.

I request, therefore, that you extend to Special Agent [redacted] my commendation for the outstanding calibre of his performance.

Sincerely, **DEC 13 1973**

Petersen tells of Nixon job offers

WASHINGTON — Assistant US Attorney General Henry Petersen, chief investigator of the original Watergate break-in, discussed presidential offers of becoming FBI director and White House counsel in an April 1973 conversation with President Nixon, according to a report of Petersen's Watergate grand jury testimony released last week.

During the course of the conversations, Petersen told the grand jury in February, Mr. Nixon made such statements as "now you'll have to serve as White House counsel" and "You're the adviser to the President now."

In grand jury testimony, Petersen called Mr. Nixon's statements "sheer unadulterated flattery" and "a little heavy-handed."

Petersen, whose reputation as a zealous crime fighter in the Justice Dept. has been under fire in Senate hearings recently, also said he talked with Mr. Nixon for 15 minutes on the possibility of becoming director of the

FBI. But Mr. Nixon quickly added, Petersen testified, "I'm not offering you this job."

"If I became director of the FBI," Petersen told the grand jury, "that was fine. If I didn't that was fine too, and that's the way we left it."

Claiming "that was not one of my ambitions," Petersen called Mr. Nixon's offer "indiscreet" because it came after disclosure of a similar offer to Judge Matthew Byrne, who presided in the trial of Daniel Ellsberg.

"That having come subsequent to the disclosures with respect to Judge Matt. Byrne, I thought it was an indiscreet thing to say," Petersen testified.

Mr. Nixon's offer to Petersen followed his April 5 withdrawal of the nomination of L. Patrick Gray as permanent director of the FBI.
